N. C. DHHS Confirmation Reports:

SFY 2006 audit confirmation reports for payments made to Counties, Local Management Entities/Area Authorities, Councils of Government and District Health Departments will be available by around late August to early September at the following web address:

<http://www.dhhs.state.nc.us/control/>

At this site, page down to “Letters/reports/forms for **ALL** Agencies” and click on “Audit Confirmation Reports (State Fiscal Year 2005-2006)”. Additionally, audit confirmation reports for Nongovernmental entities receiving financial assistance from the DHHS are found at the same website except select “Non-Governmental Audit Confirmation Reports (State Fiscal Years 2003-2005)”.

The auditor should not consider the Supplement to be “safe harbor” for identifying audit procedures to apply in a particular engagement, but the auditor should be prepared to justify departures from the suggested procedures. The auditor can consider the Supplement a “safe harbor” for identification of compliance requirements to be tested if the auditor performs reasonable procedures to ensure that the requirements in the Supplement are current. The grantor agency may elect to review audit working papers to determine that audit tests are adequate.

I. PROGRAM OBJECTIVES

This program will provide day/night, twenty-four hour and periodic services to children and adults with cerebral palsy and other developmental disabilities. Such services shall include Adult Developmental Vocational Program, Supported Employment, Developmental Day, Child Care Inclusion Support, and related initiatives. These requirements apply to the special legislative appropriation through the Division of Mental Health, Developmental Disabilities and Substance Abuse Services (the “Division”). It does not apply to Local Management Entity/Area Authority contracts with Easter Seals UCP North Carolina, Inc (the “ESUCP”).

II. PROGRAM PROCEDURES

ESUCP is a not-for-profit, statewide agency, serving children and adults with developmental disabilities. Funds are appropriated by the NC General Assembly and disbursed in accordance with a Contract between the Division and ESUCP for the services specified in the Contract. The appropriation language from the General Assembly specifies ESUCP as the fund recipient; so it is a sole source contract. The monthly report of expenditures (FSR) to the Division is equal to or greater than 1/12th of the total contract amount. The Division advances an amount not to exceed two twelfths of the Contract, if requested by the Contractor, at the beginning of the Contract. Thereafter, the Division will reimburse monthly for allowable expenditures when the report of expenditures is received. Additionally, it is required that Easter Seals UCP submit a quarterly report detailing these expenditures to the program manager.
