**NC Department of Environment and Natural Resources
Division of Environmental Health**

Agency Contact Person - Program and Financial

Name: Lucia Merritt
Title: Fiscal Officer
Phone Number: (919) 715-3201

Brief Description of Program: The Division awards \$6,000 to each county local health department on an annual basis for support of the local environmental health programs. These funds are used to help educate environmental health staff, salary adjustments for environmental health specialists, computer hardware/software, clerical support for environmental health, environmental health related audiovisual aids, and equipment, environmental health technical journal subscriptions and reference books and necessary technical equipment. These funds are for environmental health programs and development of personnel to administer these programs.

Organizations Funded: Private Local Government Both
