

Checklist for Statutory Compliance with the School Budget and Fiscal Control Act

Checklist Notes

The questions and statements below are designed to be answered with a “YES.” “NO” answers indicate possible statutory violations and internal control weaknesses that should be brought to management’s attention and/or disclosed in the notes to the financial statements. This checklist should be used only as a guide. It is not intended to be all inclusive. A full understanding of the School Budget and Fiscal Control Act is essential to a thorough local board of education audit in North Carolina. Unless noted, these questions and statements apply to local boards of education. However, as noted, certain statutes apply to the board of county commissioners, and may be used by an auditor performing a county audit.
