ORBIT UPDATE

Richard H. Moore
State Treasurer

"ORBIT represents our commitment to improving the quality of service available to our State's active public employees and retirees. As an employer, you are a critical part of the project's success."

ORBIT Project Team Announcement -

To better serve our employer partners, the ORBIT Project Team has made several updates to the Employer ORBIT Information website:

Employer Reporting File Format

- We've revised and replaced the existing PDF file located under "ORBIT Employer File Format."

Member ID File Format

- We've added this file layout so that you can begin planning your member ID file download strategy for obtaining your employee ORBIT member IDs and begin reporting them on subsequent employer reports.

ORBIT Employer Reporting Questions & Answers

- We've answered a number of employer questions that were asked during the state wide employer information session and during day-to-day operations. As promised, answers to these questions have been consolidated and added to the website for your review.

ORBIT Employer Information Session Presentation

- For those of you who were unable to attend one of the four March ORBIT Employer Information Sessions, we've added the presentation to the website so that you can view it at any time.

We will continue to work hard in supporting you as we approach ORBIT Go-Live in October 2007!

If you have questions or comments, please contact the Employer Education Services Unit (EESU) at EESU@nctreasurer.com or Roscoe Perry at roscoe.perry@nctreasurer.com.
