The employer contribution rate payable for members of the Teachers' and State Employees' Retirement System has been increased, effective July 1, 2009, from 8.14% to 8.54% of the covered payroll of members. The rate that is paid for July should be adjusted so that you pay 8.54% to the Retirement Systems Division for the month of July 2009.

Senate Bill 287 also continued the requirement that an additional 5% employer contribution for State-employed law enforcement officers be remitted to their accounts in the Supplemental Retirement Income – NC401(k) Plan.
