Brief Description of Program:

Temporary Assistance for Needy Families (TANF) funds in the amount of two million, two hundred thousand dollars ($2,200,000) has been appropriated to the Division of Social Services to provide domestic violence services to families eligible for Work First services. Each county department of social services in conjunction with the local domestic violence agencies jointly develops a plan for utilizing the allocated funds. The plans include services to be provided and the manner in which the services shall be delivered.

Eligibility Income Limits include families who receive Work First cash payments and families who meet the qualifications of a gross income at or below 200% of poverty.

Services provided by domestic violence programs may include crisis intervention, individual and group counseling for victims and their children, court advocacy, shelter, transportation, daycare, relocation cost, attorney fees and other direct services to Work First recipients.
