Joint Legislative Commission on Governmental Operations
North Carolina General Assembly
Raleigh, North Carolina 27601

RE: Report from the State Treasurer to the Joint Legislative Commission on Governmental Operations: Divestments Related to the Iran Divestment Act of 2015

Dear Commission Members:

The North Carolina Department of State Treasurer (the "Department") hereby submits its annual report pursuant to N.C. Gen. Stat. § 147-86.62 of the Iran Divestment Act of 2015 (codified at N.C. Gen. Stat. §§ 147-86.55 to 147-86.63), as amended from time to time (the "Act").

Under the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (Public Law 111-95, "CISADA"), state and local governments are authorized to prohibit investments in companies operating in Iran's energy sector and holding investments that have the result of directly or indirectly supporting the efforts of the Government of Iran to achieve nuclear weapons capability.

In 2015, the North Carolina General Assembly enacted the Act to implement the authority granted by CISADA. The Act prohibits the North Carolina Retirement Systems or the Department from investing funds with individuals or companies engaging in certain defined investment activities in Iran. In addition, State agencies, local government units, and other political subdivisions of the State are prohibited from contracting with companies on the Department's "Final Divestment and Do-Not-Contract List—Iran."

The Department hereby reports on the following:

- The updated divestment and do-not-contract lists and
- A list of all investments sold, redeemed, divested, or withdrawn in the current reporting year.

I. Iran Divestment and Do-Not-Contract Lists, as of August 30, 2018

Companies listed because of their own apparent activities in Iran may be found on the "Final Divestment and Do-Not-Contract List—Iran," which is enclosed with this document.

For the above-listed companies, known parents and subsidiaries subject to the Act are provided in a list attached to this document (see "Final Divestment and Do-Not-Contract List (Parents and Subsidiaries)—Iran").

II. Summary of Investments Sold, Redeemed, Divested, or Withdrawn

In the current annual reporting cycle, no investments have been sold, redeemed, divested, or withdrawn pursuant to the Act.
