NC ABLE Communications Strategy Outline

Goals in support of these Primary Areas of Focus

- **Education through engagement** – Engage the public through effective networking, editorial, social media, and PR placements with the goal to educate potential participants (and their families) about the benefits of ABLE and NC ABLE.
- **Enrollment** – Provide information on the enrollment process and NC ABLE account benefits/features. Dispel misunderstandings and provide information that makes individuals feel comfortable taking action.

Primary Audiences

1. People with disabilities, their families, and guardians
2. Organizations that provide services and supports
3. NC General Assembly
Priority: Public/Media, NC advocacy and membership associations, state and regional community groups, Legislators and their staffs
Secondary: Financial services providers, businesses who provide services and supports, legal services providers

Key messages

1. The NC ABLE Act is one of the most significant pieces of legislation ever passed in NC to support independence for people with disabilities. NC ABLE accounts have the potential to make a real and lasting impact on the financial security of individuals with disabilities, and their families.
2. NC ABLE accounts provide people with disabilities and their families a new opportunity to save and plan for a better economic future and improved quality of life, without losing needed supports from SSI, Medicaid, and other programs. NC ABLE accounts positively impact financial day-to-day challenges *and* provide an opportunity to save for the future.
3. Because North Carolina participates in the National ABLE Alliance, NC ABLE accounts have the benefits of competitive pricing, coupled with high quality institutional investment management. The NC ABLE Program Board of Trustees provides strong oversight of the NC ABLE Program.
