

STATE AND LOCAL GOVERNMENT FINANCE DIVISION

Module 3: Finance Officer, Monthly Financial Reports & Fund Balance

- LGBFCA requires governing boards to appoint a finance officer.
- The board must make sure a qualified person is in the role of finance officer.

Contracted Third-party Bookkeeper

- NCGS 159-25 (a)(9) allows the board to contract with a third-party to help with the financial work.
- The board must still task a qualified employee or board member with overseeing the thirdparty's work to make sure the government is getting what it is paying for.
- The third-party bookkeeper should attend board meetings to answer any questions the board might have.

Contracted Third-party Bookkeeper

- If the unit has a third-party bookkeeper, then monthly reporting should be required in the contract.
- Also, include language that contractor will not be paid if timely and accurate financial reports are not provided to the board.
- A sample contract for a third-party bookkeeper is on our website <u>here</u>.

- LGBFCA requires the finance officer be bonded for at least \$50,000.
- Units should have adequate coverage and not just the minimum.
- This bond is for the protection of the local government.

§ 159-29. Fidelity bonds.

- (a) The finance officer shall give a true accounting and faithful performance bond with sufficient sureties in an amount to be fixed by the governing board, not less than fifty thousand dollars (\$50,000). The premium on the bond shall be paid by the local government or public authority.
- (b) Each officer, employee, or agent of a local government or public authority who handles or has in his custody more than one hundred dollars (\$100.00) of the unit's or public authority's funds at any time, or who handles or has access to the inventories of the unit or public authority, shall, before being entitled to assume his duties, give a faithful performance bond with sufficient sureties payable to the local government or public authority. The governing board shall determine the amount of the bond, and the unit or public authority may pay the premium on the bond. Each bond, when approved by the governing board, shall be deposited with the clerk to the board.

If another statute requires an officer, employee, or agent to be bonded, this subsection does not require an additional bond for that officer, employee, or agent.

(c) A local government or public authority may adopt a system of blanket faithful performance bonding as an alternative to individual bonds. If such a system is adopted, statutory requirements of individual bonds, except for elected officials and for finance officers and tax collectors by whatever title known, do not apply to an officer, employee, or agent covered by the blanket bond. However, although an individual bond is required for an elected official, a tax collector, or finance officer, such an officer or elected official may also be included within the coverage of a blanket bond if the blanket bond protects against risks not protected against by the individual bond. (1971, c. 780, s. 1; 1975, c. 514, s. 14; 1987 (Reg. Sess., 1988), c. 975, s. 32; 2005-238, s. 2.)

Finance Officer is responsible for:

- 1. Accounting system;
- 2. Disbursement of all funds; and
- 3. Preparing financial reports.

- 4. Managing receipt and deposits of all revenues and monies;
- 5. Managing debt;
- 6. Supervising investments; and
- 7. Attending training that may be required by the LGC under NCGS 159.

Monthly Financial Reports

- Governing boards should require monthly financial reports.
- Budget to actual for significant funds, including the General Fund and utility funds.
- Compare to prior year's spending if available.
- Summary level reports are preferred, at the functional or department level.
