The auditor should not consider the Supplement to be “safe harbor” for identifying audit procedures to apply in a particular engagement, but the auditor should be prepared to justify departures from the suggested procedures. The auditor can consider the Supplement a “safe harbor” for identification of compliance requirements to be tested if the auditor performs reasonable procedures to ensure that the requirements in the Supplement are current.

The grantor agency may elect to review audit working papers to determine that audit tests are adequate.

Auditors may request documentation of monitoring visits by the State Agencies.

PROJECTS FOR ASSISTANCE IN TRANSITION FROM HOMELESSNESS (PATH)

This compliance supplement must be used in conjunction with the OMB 2025 Compliance Supplement which will be issued in the summer. This includes "Part 3 - Compliance Requirements," for the types that apply, "Part 6 - Internal Control," and "Part 4 - Agency Program" requirements if the Agency issued guidance for a specific program. The OMB Compliance Supplement is Section A of the State Compliance Supplement.

I. PROGRAM OBJECTIVES

The PATH Program provides outreach and support services to adult individuals meeting the following criteria:

1. Individual has a serious mental illness, or individual has a co-occurring serious mental illness and substance use disorder.
2. Individuals experiencing homelessness, who are homeless or at imminent risk of homelessness. Priority is given to Veterans.

PATH services include: outreach; screening; clinical assessment, case management; referrals for primary health services, benefits, and any other needed community services; and a prescribed set of housing services. The goals of the PATH Program are as follows:

- Individuals are connected to community mental health services or services for co-occurring substance use disorders.
- Individuals are connected to permanent housing.
- Individuals receive referral assistance to attain permanent supportive housing, temporary housing, medical insurance, primary care services, income, employment and other needed services and supports.

All grantees are required to comply with the NC Department of Health and Human Services and DMHDDSUS records retention schedules and policies. These include Functional Schedule for State Agencies, Records Retention and Disposition Schedule – DMH/DD/SUS Local Government Entity (APSM 10-6), Records Retention and Disposition Schedule – DMH/DD/SUS Provider Agency (APSM- 10-5) and the DHHS Records Retention and Disposition Schedule for Grants.

The records of the contractor shall be accessible for review by the staff of the N. C. Department of Health and Human Services and the Office of the State Auditor for the purpose of monitoring services rendered, financial audits by third party payers, cost finding, and research and evaluation.

Records shall be retained for a period of three years following the submission of the final Financial Status Report or three years following the submission of a revised final Financial Status Report. Also, if any litigation, claim, negotiation, audit, disallowance action, or other action involving these funds has been started before expiration of the three-year retention period, the records must be retained until the completion of the action and resolution of all issues which arise from it, or until the end of the regular three-year period, whichever is later. The grantee shall not destroy, purge or dispose of records related to these funds without the express written consent of the DHHS/DMH/DD/SUS.

The agency must comply with any additional requirements specified in the contract or to any other performance-based measures or agreements made subsequent to the initiation of the

PROJECTS FOR ASSISTANCE IN TRANSITION FROM HOMELESSNESS (PATH)

contract, including, but not limited to, findings requiring a plan of correction or remediation in order to bring the program into compliance.

II. PROGRAM PROCEDURES

PATH funds are allocated through a contract between DHHS and the organization selected through a Request for Applications (RFA). Contracts were awarded to the following organizations:

- Coastal Horizons Center (Wilmington)
- Interactive Resource Center (Greensboro)
- Cumberland County CommuniCare (Fayetteville)
- Diakonos, Inc, (Statesville)
- Asheville Buncombe Community Christian Ministry (Charlotte, Raleigh, Asheville and New Hannover County)

The State and the organization must provide a \$1.00 match expenditure for every \$3.00 of the PATH funds expended using non-federal or state dollars. Continued funding is based on a demonstrated effective administration of the PATH program and an annual approved PATH application. Funds must be expended or earned in accordance with contract. Funds are paid through submission of the Financial Status Report, Consumer Assistance Log, Outreach Logs, Outcome Report and receipts/supportive documentation monthly per the approved PATH budget and budget narrative, and match budget narrative. Reporting of the services delivered to eligible recipients is submitted quarterly.

III. COMPLIANCE REQUIREMENTS

If the Matrix indicates “Y,” the auditor must determine if a particular type of compliance requirement has a direct and material effect on the federal program for the auditee. For each such compliance requirement subject to the audit, the auditor must use the OMB 2025 Compliance Supplement, Part 3 (which includes generic details about each compliance requirement other than Special Tests and Provisions) and Part 4 (which includes any program-specific requirements) to perform the audit.

If there is no program listed on the “Matrix” in Part 2 or Part 4, the State has determined the Type that is applicable. If a Type is determined to be direct and material, the auditor should refer to the requirements found in Part 3 and listed in this supplement.
