Applies to: N.C. Department of State Treasurer – State & Local Government Finance Division – Local Government Commission

Keywords: Open Meetings, Public Participation, Local Government Commission, Public Hearings

Background

The staff of the State and Local Government Finance Division (SLGFD) provides staff support to the Local Government Commission (LGC or Commission). The LGC is a public body subject to North Carolina’s Open Meetings Law (G.S. Chapter 143, Article 33C). However, its meetings are not public hearings unless so designated by the LGC pursuant to G.S. Chapter 159. Nonetheless, the LGC has in the past allowed and continues to desire to allow participation in its meetings by members of the general public in certain circumstances.

Purpose and Authority

The purpose of this policy is to establish a method by which interested members of the general public may provide input on LGC agenda items. The LGC adopted a resolution on the topic at its March 5, 2013 meeting, which it revised and approved at its meeting on April 5, 2016. The revised resolution provides as follows:

1. Members of the general public may provide public input on any item of concern related to any agenda item before the Commission, including providing spoken comments during a Commission meeting, so long as such spoken comments are made in person.
2. Members of the general public desiring to make spoken comments at a Commission meeting on any item of concern related to any agenda item before the Commission shall give prior notice to, and receive permission from the Commission’s Secretary.
3. The Commission’s Secretary, in consultation with the Chair of the Commission, may establish time limits and other procedures by which members of the general public may make spoken comments at Commission meetings, including, but not limited to requesting any group to appoint a spokesperson and to refrain from being repetitive of any comments made by other groups.

DST POLICIES AND PROCEDURES

4. Members of the general public may provide written comments (including emailed comments) on any agenda item before the Commission prior to the meeting at which the matter will be considered. Likewise, applicants and others making presentations to the Commission may provide written materials for consideration by the Commission. Written comments, including emailed comments, as well as other written materials should be provided to the Secretary of the Local Government Commission no later than seven (7) business days before the meeting at which the subject item will be considered so that the information can be included in the agenda packets sent to the Commission members. Comments and other written materials received after this deadline will be considered only in the discretion of the Commission's Chair on the advice of the Commission's Secretary. Comments and other written materials provided in a timely manner (and those accepted in the discretion of the Commission's Chair) shall be distributed to all members of the Commission and to the governing body of the unit of local government which is the subject of such comments or written materials.
5. Members of the general public who have received permission to speak at an LGC meeting may provide those same comments in writing at the meeting.
6. No member of the general public may participate in or provide comments during a Commission meeting via telephone or conference call.

Policy

This policy establishes a method by which interested members of the general public may provide in person comments on LGC meeting agenda items, in the discretion of the Commission. It also establishes a framework for the submittal of written materials to the LGC, both by members of the general public and by applicants and others making presentations before the LGC.
